2017/4021/P	Susy Penney	62 Woodsome Road London NW5 1RZ	23/09/2017 16:28:17	COMMEM AIL	The existing building has been described as ugly but the proposal is hardly a visual improvement. It looks extremely bulky, a great slab not at all in character with the surrounding buildings. The metal cladding is particularly obtrusive and would stand out like a sore thumb on this well-used crossroads.
