G. CHOICE OF PROCEDURE

There are three different procedures that the appeal could follow. Please select one.

1. Written Representations

(a) Could the Inspector see the relevant parts of the appeal site sufficiently to judge the proposal from public land? Yes No

(b) Is it essential for the Inspector to enter the site to check measurements or other relevant facts? Yes No

Please explain.

While the inspector may well be able to make a judgement based on the substantial amount of provided it may for the Inspector to visit site to understand the context. It would also allow the inspector to view the other properties that we have cited in this appeal - namely 159-163 Iverson road and 120 Maygrove road. Of course now with Google earth and google street view it is possible to understand a site remotely . We are happy to provide more photos of the site if the inspector consider a site visit unnecessary . Having waited 16 weeks to get a decision from the council we would appreciate a appeal decision as soon as possible.

2. Hearing

3. Inquiry
