Dear Tony,

Thank you for your e.mail and I reply to your questions raised as follows:

1. Would the proposed rooflight protrude more than 0.15 metres beyond the plane of the roofslope? **NO**
2. Would the window be obscure-glazed? **YES to a minimum of level 3.**
- 3. The roof light will be more than 1.7 meters above the floor of the room in which it will be installed.**

Please let me know if you need any further info.

Many thanks.
