On behalf of our client, Frontier Dragon Ltd, we are pleased to request a formal Scoping Opinion in accordance with Regulation 15 of the Town and Country Planning (Environmental Impact Assessment (EIA)) Regulations 2017 in respect of a forthcoming planning application for the redevelopment of the above site. I hereby enclose our formal Scoping Report, completed by WSP with input from the wider specialist consultant team, setting out the proposed technical scope, assumptions and methodology of the EIA which will be assessed fully in the Environmental Statement (ES) that will accompany the planning application.

In accordance with Regulation 15 of the EIA Regulations 2017, we would be grateful if you could provide your Scoping Opinion within the statutory 5 week period from receipt of this letter. If you have any questions in the meantime, please do not hesitate to contact Barnaby Collins or Peter Twemlow of this office.

Yours faithfully,
