2017/4021/P	Bernice Stegers	£0 Laurier Road	04/10/2017 11:30:16	COMMNT	Please ask for more thought to go into this application . The extension is so ugly . They need to come up with a more creative plan and to spend more money on materials . The whole appearance of the building could be enhanced with window boxes ,the planting of climbers ,such as roses and clematis , facing south and west this would be easy and inexpensive. They need to rethink and make the building look better , not even worse Yours Bernice Stegers
