Dear Sir or Madam

Planning Application 32 Torrington Square- 2017/4300/P

As residents of Camden, I believe the work of Birkbeck College's Centre for Brain and Cognitive Development (CBCD) makes an important contribution to Camden's mission to support investments of educational, health, and scientific research bodies as shown in Part H of Policy CS9 and the emerging Local Plan Policy C2.

The CBCD ToddlerLab therefore supports London in maintaining its international reputation as a centre of excellence in higher education.

Many thanks,
