

Ref 2017/5248/T

Proposed Tree work at 23 Willes Road NW5 3DT

We strongly object to the felling of the cypress. This is a replacement for the lime which was felled shortly prior to the neighbourhood's being designated a Conservation Area. The tree provides privacy from the houses in Grafton Road, habitat and, of course, contributes to cleaner air. Moderate pruning of all four trees, please.

Yours faithfully,
Rosemary Weinstein (Dr)

21 Willes Rd
NW5 3DT
