2017/4239/P	sophia marriott	28 Elliott Square nw33su nw33su nw33su	17/10/2017 13:41:18	NOBJ	we fully support the proposals which are sympathetic to the existing design and improve the chalcots estate in general.
2017/4239/P	Kevin White	14 lower merton rise	17/10/2017 15:29:49	NOBJ	I like these proposed extensions, set back with a mansard roof style. I certainly have no objections to this and hope our neighbours get their badly needed space.
2017/4239/P	Miss Sarah Best	33 Elliott Square NW33SU NW33SU NW33SU	17/10/2017 15:11:47	COMMNT	My garden will be totally overlooked by North facing windows, I and neighbours will lose all privacy. This estate has already suffered years of builders' noise, this project will be even more appalling for those of us who work from home.
2017/4239/P	nick kendall	39 Elliott square NW33SU	17/10/2017 15:31:06	NOBJ	We have no objection to the proposals which will be a welcome addition to the square. I feel it is essential to expand on existing housing where there is no detriment to the environment. I fully support the scheme.
