2017/4273/P	Meredith Whitten on behalf of the Covent Garden Community Association	Covent Garden Community Association 42 Earlham Street WC2H 9LA	16/10/2017 17:42:43	COMMNT	<p>Whilst the CGCA does not object to the roof extension, including the addition of a roof terrace, we are concerned about the potential for noise and disturbance to adjacent residents, given the dense, yet quiet, nature of Grape Street.</p> <p>Camden's planning policies recognise that, whilst amenity space can add significantly to residents' quality of life, this must be balanced with the impact on neighbours (see Local Plan, sec. 6.49).</p> <p>Given this, a condition should be included that restricts the hours of use and type of noise (e.g. no music).</p>
