Conversion and redevelopment of SECRETS strip club, 309/ 307 Finchley Road, NW3 6EH
Application no 2017/3710/P

Dear David Peres Da Costa,

I am writing to register my support for the proposed redevelopment of 307 & 309 Finchley Road.
The development will include:

- The loss of a strip club which has caused significant antisocial behaviour in the area, noise and disturbance issues to the local community for a number of years
- Converting and refurbishing the space, replacing it in part with office floorspace at ground and lower ground levels along the Finchley Road frontage, and providing flats above the shop and within the adjoining building

I think the new proposals will further enrich Camden, whilst being in keeping with the local area. I hope the councillors will consider these points when making their decision.
