

CONDITIONS OF USE OF THIS DRAWING

1. This drawing, the design and contents contained herein are copyright of rights reserved. No part hereof may be copied or otherwise publicly or privately reproduced without the prior written consent of the copyright owner London Development & Construction.
2. The client is granted a copyright license to use this drawing and its contents for the purposes of which the drawing has been prepared.
3. No part of this drawing, figures, notes, dimensions may be taken or taken of this drawing, figures, dimensions, if any, published on this drawing are given for building purposes only.
4. This drawing is to be used only for the purposes for which it was prepared. The drawing is not to be used for any other purpose without the written consent of the copyright owner.
5. In construction, materials used in the construction must not be of a lower quality than that specified and the drawing may not be altered or modified in any way without the written consent of the copyright owner.
6. Where the drawing contains discrepancies in relation to other related documents, such discrepancies shall be brought to the attention of the Architect who shall have a written declaration as to which document is to be followed, and such written declaration has been issued and work carried out in full of the Architect's seal is required.
7. References to National Regulations, whether to British (BS) or otherwise, or codes of practice (CP) shall be taken to refer to the current editions or code current at the date of issue of the drawing not otherwise any reference to the country or to any earlier standards.
8. All necessary measures are proposed to be taken according to construction's current good practice. Consideration to them is not intended if these conflict with any specific instructions.
9. Contractor responsible to prepare and verify drawings for all quantities before construction.
10. This drawing is to be submitted to Project Architect for approval prior to construction.
