Your comments on the planning application

I own the house (13 Kelly Street) immediately next door to the site of the works.

The works themselves for a small property are certainly ambitious but it is clear the property would benefit from modernising. I generally have no issues with the changes but please can I confirm that the proposed roof terrace will not result in my house (13 Kelly Street) being overlooked and furthermore we would clearly not be supportive if the works results in any loss of light into our house or into our garden. regards, Mr T Hassan
