2017/5119/P	Andrew King	4 Patshull Road	20/10/2017 09:57:58	INT	The only concern is that the builders should not leave their building materials, rubbish etc. in the alleyway behind the property as access is required at all times along this route. Access is required for the Clean Break theatre company and also access is required to a number of properties that back onto this alleyway.
