Dear Sirs

**RE: 11 Glenilla Road, London NW3.**

I confirm that INGealtoir Consulting Structural Engineers Ltd. has been appointed to inspect the critical elements of both the temporary and permanent basement construction works to ensure compliance with the design proposals, for the basement works at the above property.

The chartered engineer assigned to carry out the inspections is:

David Warren CEng MStructE.

If you would like to discuss any aspect of our involvement with the project, please do not hesitate to get in touch.

Yours faithfully

David Warren  
INGealtoir
