Your comments on the planning application

This is an application for change of use from business (Class B1a) use to chiropractic use (D1). The application is premature: the building is not yet completed, and it is far too soon to assume no business tenant can be found. A chiropractic clinic will cause a serious increase in vehicular traffic in Pond Square, where the entrance would be. There is no dedicated parking for the development, and by definition many people attending a chiropractic clinic will be somewhat disabled and unable to access the clinic by foot from the nearest tube station or bus stop. The Highgate Society strongly objects to this application.
