Your comments on the planning application

I want to object very strongly to this application. The area is a residential one and it is unsuitable for the kind of business that is planned. There will be more pollution and noise from lots of extra vehicles and smells from cooking. Delivery vehicles will also be noisy and will cause obstructions. It has been very noisy over the past few months during the works that have been going on and it will be even more noisy and polluted if the kitchens are allowed to open. I do not agree with this plan and want to OBJECT to it very strongly.
