2017/4932/P	Deborah Reynolds	50 COMPAYNE GARDENS 50 COMPAYNE GARDENS NW6 3RY NW6 3RY NW6 3RY	25/10/2017 09:20:52	OBJ	The erection of a separate outbuilding as planned is objected to on grounds of being inappropriate in a garden with adjacent private gardens in close proximity on three sides. Of equal weight in the objection is the fact that 50 Compayne Gardens is not a single owner property (it is a jointly owned freehold) and the rear 1st and 2nd floor flats overlook the garden. The erection of a separate outbuilding would impact significantly the outlook from the two upper flats. Such an outbuilding would set a precedent which would lead to similar development in the South Hampstead Conservation area.
