RE: Application- 2016/2216/P - Extension and Alterations to 109 Gloucester Avenue, London, NW1 8LB

Dear Kristina,

Further to our phone call I am writing to request a non-material amendment to our existing planning permission. Case number: 2016/2216/P

I am attaching drawings to describe the proposed changes.

In summary we would like to change the fixed glass panel in the rear façade for a part fixed and part sliding panel. The sliding rooflight will be changed to a fixed double glazed roof.

I also confirm the new space created by the extension is not a music room. The reference to Piano room was simply a note on the furniture arrangement. Indeed the piano may not end up being placed in this space.

Please do not hesitate to call if you have any questions or need any further information and look forward to hearing from you.

Yours Sincerely
