The Council has considered your application and decided to grant permission

Informative(s):

- 1 Condition 2a of permission 2015/6018/P requires full details of the external materials including the Roofs, Roof Cheeks and Gable Ends proposed for the coal drops yard thereby approved. Full details as well as sample sheets and specifications has been submitted.

The Council has assessed the information and materials and in relation to design, details and specification and they are considered to be high quality materials that are sympathetic to the building and in line with the materials used on the existing building. The Conservation Officer and Planning Officer have had a look at the samples on site and are happy with the considered approach.

The details submitted for condition 2a are considered sufficient to demonstrate that the proposed materials will be of high quality design and suitable for the site.

The site's planning history and relevant appeal decisions were taken into account when coming to this decision. The full impact of the proposed development has already been assessed. The details submitted have been assessed in relation to the approved scheme, the site and its surroundings.

As such, the proposed development is in general accordance with policies CS14 and CS15 of the London Borough of Camden Local Development Framework Core Strategy and policies DP24, DP25 and DP29 of the London Borough of Camden Local Development Framework Development Policies. as well as Policies, C6, D1, D2, A2 and A3 of Camden's Local Plan 2017.

- 2 You are advised that conditions 2 (Part), 4, and 11 of permission 2015/6018/P are outstanding and require details to be submitted and approved to the Local Planning Authority

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
