Dear Robert, Here is our advice. Best wishes, Richard

ADVICE from Primrose Hill Conservation Area Advisory Committee

12A Manley Street, London NW1 8LT

18 October 2017

13 Gloucester Crescent NW1 7DS 2017/5613/P

We have no record of this major work to a Listed Building. If the application were made now, we would strongly object. Recent planning appeals in the area suggest that such changes are not found appropriate in the conservation area (11 Regent's Park Road, 2016/2247/P).
