Dear Tessa,

Please find attached several signatures from Dobson Close Residents who are opposed to Deliveroo submitting a Planning Application to install 9 Kitchens in the Car Park of 117 Finchley Road.

The Residents are concerned about the potential effect of unwanted Noise from the Kitchen, Traffic and Noise of the Delivery Mopeds and the smell of Food. Plus that the Generator has been recently installed on the Site, which is already causing disruption to those living in its vicinity, particularly at anti-social hours.

As Dobson Close Residents we are only separated by our Gardens to the walls of the Car Park where Deliveroo are setting up to work from, this is where they intend to prepare and cook meals which Deliveroo Couriers will then deliver to customers 24/7

Regards
Elaine

Muthoora, Leela

Subject: Planning Application Number: 2017/4737/P - Deliveroo

Dear Tessa Craig

RE: PLANNING APPLICATION NUMBER: 2017/4737/P - DELIVEROO

MY ADDRESS: 27 BELSIZE ROAD LONDON NW6 4RX

I wish to complain about the above Planning Application that has been sent in by Deliveroo.

It beggars my belief that Council-Tax paying residents of this quiet residential area are continually being confronted by thoughtless and relentlessly profit-motivated businesses who seek to ride roughshod over the living conditions and concerns of said residents.

We are now confronted by Deliveroo who wish to install a facility in the car park of 117 Finchley Road that backs onto Belsize Road (among other streets):

that will generate noise and strong food smells from its kitchen and its generator that will operate at unsocial hours;

that will generate noise from delivery mopeds that will run up and down Belsize Road - a road that is closed at its Northern end and thus remains a relatively traffic-light and quiet road;

that will moreover - according to what I have read - generate unhealthy and unwholesome conditions for the poor souls that have to work in this facility.

I request strongly that you heed the points raised by myself and the other residents of this area and turn down this planned application by Deliveroo.

Yours sincerely
Miriam Marcus
