2017/4205/L	Dominic Free	26E Old Gloucester Street	02/11/2017 16:01:20	OBJ	<p>My wife and I own the 3rd and 4th floor flat at 26 Old Gloucester Street and are part owners of the freehold of the building.</p> <p>I have objected to previous applications for permission to build additional stories on the rear of 25 Old Gloucester due to loss of privacy, loss of light and concern at the increased mass of the additional stories in an already crowded site.</p> <ol style="list-style-type: none"><li>1. The decision to omit windows from the southern side of the proposed building goes some way to addressing the concern about loss of privacy.</li><li>2. We are still concerned about the loss of light to 26 Old Gloucester Street.</li><li>3. We are also still concerned that the additional stories would constitute an oppressive bulk alongside 26 Old Gloucester Street.</li></ol>
