**Reference:** Planning Application 32 Torrington Square- 2017/4300/P

Dear Tania,

I am a Camden parent who has visited the Birkbeck Centre for Brain and Cognitive Development on several occasions. I would like to offer my support for the proposed development of the ToddlerLab at 32 Torrington. The proposal includes restoration of a listed building as well as a proposed state-of-the-art facility which will house world-class research. This facility will not only enhance the insight that can be offered into early childhood development, but also enhance Camden's contributions to world-class research. As such, I am in full support of this proposal.

Best Wishes,
