Dear John Diver

6 Stukeley Street / Goldsmith Court: Camden Planning Reference 2017/4135/P

I am writing to object to the proposal submitted under planning reference 2017/4135/P.

The proposals will harm and erode the amenity and outlook of the existing residential and commercial occupiers of the buildings

We also assert that the proposal will cause unacceptable harm to the Conservation area in direct contravention of planning policy.

The scale and massing of the proposal is excessive and will harm its setting and the appearance and character of the neighbourhood.

Origin are the freeholders of Goldsmith Court. Once you have considered the application, I would be grateful if you would please send me a copy of your report and recommendation.

Yours sincerely

Simon Baxter
