2017/5604/P	Mr. M. Ross	21 Healey Street	07/11/2017 15:25:42	OBJ	I live at 21 Healey Street with my wife and children. I wish to object to the basement level of the planning application for 23 Healey Street. Our concerns are the disruption to our lives and peaceful enjoyment of our home, the loss of the tree which provides some privacy to our garden and impairment to the structural integrity of our home with significant excavation in the adjacent property.
