2017/5224/L	Regents Park Conservation Area Advisory Committee	24 Paddington Street W1U 5QY	07/11/2017 12:23:26	COMMNT	this application involves extensive work to a listed building including demolition and is in direct contradiction to local authority planning policies. The changes new use of space which otherwise would not be possible. It falls outside health and safety directives, nevertheless as this is a listed building these changers should be rejected.
