Summary of representations

(Officer response(s) in italics)

The Belsize Resident's Association have made the following comment:

- Please provide more detail on new opening lights to existing skylights.

Officer Response

Revised plans were received for the scheme outlined above which clarified the proposed openable skylights to include section details. It is considered that this additional information is sufficient to indicate that the proposed openings would be modest alterations to the existing rooflights. The Belsize Resident's Association have been notified of the additional information received.

Recommendation:-

Grant planning permission
