**Subject:** planning application

Dear Mr Peres da Costa

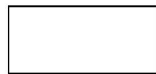

As a resident of 103 King Henry's Road, I was rather dismayed when I heard about the planning application for roof extensions for the 9 houses across the street.

The development where the Adelaide pub was has already contributed to the 'uglification' of the area by blocking out light with more stories - I sincerely hope the planning application to build the area up further will be rejected.

Best wishes

Chere Di Boscio
