12 November 2017

Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:
1st and 2nd Floor Flat
96 Marquis Road
LONDON
NW1 9UB

Proposal: Installation of two roof lights to rear roof slope.

Drawing Nos: 006-PP-01, 006-PP-02, 006-PP-03 Rev A, 006-PP-04, 006-PP-06 Rev A, 006-PP-07 Rev A.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 and D2 of the London Borough of Camden Local Plan 2017.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans: 006-PP-01, 006-PP-02, 006-PP-03 Rev A, 006-PP-04, 006-PP-06 Rev A, 006-PP-07 Rev A.

Reason: For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

The proposed roof lights are conservation style and would be installed on the rear roof slope. By reason of their siting and design they are considered to preserve the character and appearance of the host building, surrounding area and conservation area.

The proposals are not considered to result in an unacceptable harm to neighbouring amenity by way of loss of daylight, sunlight, outlook or privacy.

The plans were amended during the course of the application to remove the proposed dormer roof extension due to the currently unbroken roofline along this side of Marquis Road.

One objection was received prior to the submission of the revised plans to remove the rear dormer and provide two rooflights. The objection has been duly considered and officers are of the opinion that the revised plans have satisfactorily addressed the reason for objection on character and appearance. Other matters raised in the objection are not material planning considerations, so have not been taken into account in the decision making process. The planning history of the site and surrounding area were taken into account when coming to this decision.

Special regard has been attached to the desirability of preserving or enhancing the conservation area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

As such, the proposal is in general accordance with policies D1, D2 and A1 of the Camden Local Plan 2017. The proposed development also accords with the policies of the London Plan 2016 and National Planning Policy Framework 2012.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between

dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).

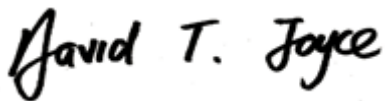

- 3 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Noise and Licensing Enforcement Team, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (Tel. No. 020 7974 4444 or search for 'environmental health' on the Camden website or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

You can find advice about your rights of appeal at:
