Subject: Re: 20 Leighton Road tree application

Dear Mr Dawson,

It is a pruning back to previous reduction points (I would estimate 20-30%).

With kind regards,
C. Dille

Dear C Dille

Thank you for your notification of tree works at the above address, which we have given our reference of 2017/6292. However, before we can proceed with this, please can you specify exactly how much you wish to prune the tree by? This can either be in metres, as a percentage, or to specific points (ie reduce to previous points).

Feel free to contact us should you have any queries or would like to discuss further.

Kind regards

Barry Dawson
