2017/5484/T	David Stone	Willow Road	10/11/2017 13:52:41	COMMEM AIL	Hello - I write in relation to the willow tree that is on Willoughby Road. I'm pretty sure that this tree is protected by a TPO - the TPO was imposed after a previous request by the then owners of the property to fell the tree. It is one of the last remaining willow trees anywhere near Willow Road, so it is worth protecting. Therefore, please check whether this tree is protected by a TPO, and, if it is, take that into account before allowing any work that may harm the tree.
