Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:

Flat 4
10 Lyndhurst Gardens
LONDON
NW3 5NR

Proposal: Installation of timber sash window to side elevation at first floor level of residential flat.

Drawing Nos: Site location plan; AT110; AT210; AP500 R00; Design & Access Statement and Heritage Statement dated September 2017.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 and D2 of the London Borough of Camden Local Plan 2017.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans; Site location plan; AT110; AT210; AP500 R00; Design & Access Statement and Heritage Statement dated September 2017.

Reason: For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

The proposal seeks to form a new window opening on the flank wall of the side elevation at first floor level. The proposal to form a new opening and install a new window to the side flank elevation at first floor level is considered acceptable and not to result in harm to the character and appearance of the host building and Fitzjohns/Netherhall Conservation Area. This is by virtue of the discreet siting, the traditional design and profile of sash to be used as well as the traditional timber material.

There are no amenity issues as there are no openings on flank wall of adjacent building.

No comments have been received following a process of public consultation. The site's planning history was taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

The proposal is in general accordance with policies A1, D1 and D2 of the Camden Local Plan 2017 and accords with the London Plan 2016 and National Planning Policy Framework 2012.
