Your comments on the planning application

I wish to object to the section of the revised application where it is proposed to relocate the refuse store in the old bulk white goods store located directly below the flats. The refuse room was originally located here and we suffered for years with noise, smells plus frequent fires set off by kids and a serious threat to those living above. We were assured at an earlier development meeting with a council officer that it was against policy to have bins rooms below accommodation so if this is the case then this application is in contravention of policy.
