6. Non-Material Amendment(s) Sought
*Please describe the non-material amendment(s) you are seeking to make:
Variation of the wording of the pre-commencement conditions
Are you intending to substitute amended plans or drawings?
Please state why you wish to make this amendment:
The extant planning permission will lapse if it is not implemented before 31st March 2018. There are currently 28 conditions which are 'pre- commencement' conditions and given the impending timescale and the need to implement the extant consent, the burden of discharging all of the pre- commencement conditions is too great.
To avoid submitting a fresh planning application, and in order to implement the extant consent, it is proposed to vary the wording of the existing pre- commencement conditions to allow for site preparation and demolition works to take place.
The proposals also involve splitting one of the pre-commencement conditions (Condition 36) to require the submission of a DMP and a CMP. The DMP would require approval prior to demolition works. Once this condition is discharged, demolition would be possible and once the specified demolition works take place, the extant consent would be considered implemented.
