**TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED BY THE
PLANNING AND COMPENSATION ACT 1991)**

ENFORCEMENT NOTICE

ISSUED BY: THE LONDON BOROUGH OF CAMDEN

1. **THIS IS A FORMAL NOTICE** which is issued by the Council because it appears to them that there has been a breach of planning control, under Section 171 A (1) (a) of the above Act, at the land described below. They consider that it is expedient to issue this notice, having regard to the provisions of the development plan and to other material planning considerations. The Explanatory Note at the end of the Notice and the enclosures to which it refers contain important additional information.

2. **THE LAND TO WHICH THE NOTICE RELATES**

Land at: 91 Regent's Park Road, London, NW1 8UT as shown outlined in black on the attached plan ("the Property").

3. **THE BREACH OF PLANNING CONTROL ALLEGED**

Without planning permission: Installation of new full height aluminium framed glazed shopfront, replacement of timber doors with automatic swing doors, installation of ventilation grills on the side elevation and external roller shutters and roller shutter housing to the front and side elevation of the ground floor retail unit (Class A1)

4. **REASONS FOR ISSUING THIS NOTICE:**

1. It appears that the breach of planning control has occurred within the last 4 years.
2. The new shopfront, automatic swing doors, ventilation grills, external roller shutters and roller shutter housing, by reason of their prominent location, detailed design, materials used and external appearance results in demonstrable harm to the character and appearance of the host building, the surrounding terrace and

streetscene and fails to preserve and enhance the character and appearance of the Primrose Hill Conservation Area, contrary to Policy D1 (Design), Policy D2 (*Heritage*) and Policy D3 (Shopfronts) of the London Borough of Camden Local Plan and Camden Planning Guidance 1 (CPG1- Design).

3. The external roller shutters and roller shutter housing, by reason of its form and impact on natural surveillance would be detrimental to visual amenity and community safety creating a hostile and unsafe appearance, contrary to Policy C5 (Safety and security), Policy A1 (Managing the impact of development), Policy D1 (Design), and Policy D3 (Shopfronts) of the London Borough of Camden Local Plan and Camden Planning Guidance 1 (CPG1- Design) and 6 (CPG6- Amenity).

- 1) Remove the aluminium framed, fully glazed shopfront to the front and side elevation of the ground floor retail unit and replace with a timber shopfront to match the original shopfront.
