Dear Robert,

Many thanks for the clarification.

Could the applicant confirm the material of the window frames (as the frames now look much bigger and therefore have a greater impact on the overall elevation)?

I would also recommend that it would be helpful to extend the rear elevation on both sides so the new window frame proportions can be seen in the context of the adjacent properties.

Best regards,  
Antje

Dear Robert,

It is hard to identify the changes, it would be very helpful if the applicant could provide a drawing highlighting in red where the new proposals deviate from the approved plans.

Best regards,
