2017/6291/T	J Parry	Second Floor Flat 1 Lady Margaret Road London NW5 2NE	16/11/2017 13:42:12	OBJ	I hope expert opinion will be obtained that confirms that this tree is beyond repair. I request also that the planting scheme be modified to include taller replacement trees than the pear and holly specified. The damage done to the local environment by the removal of so many trees has been extremely upsetting. Surely the council has a duty to ensure that trees of an adequate height replace them.
