

The Heath & Hampstead Society

P.O.BOX 38214 LONDON NW3 1XD

The Society examines all Planning Applications relating to Hampstead, and assesses them for their impact on conservation and on the local environment.

To London Borough of Camden, Development Control Team

Planning Ref: 2017/5538/P

Address 10 Wedderburn Rd NW3

Description: Balcony/terrace

Case Officer: Ben Farrant

Date 20 November 2017

This very large rear terrace, at 3rd floor level, would be grossly intrusive, leading to overlooking and loss of privacy to adjoining gardens, intrusion to other flats in the building, and widespread noise pollution. It is in fact an especially unacceptable example of such intrusive development, harmful to this part of our Conservation Area.
