Address The Chestnuts Branch Hill NW3

Description: Parking in front garden

Case Officer: Charlotte Meynell

Date 20 November 2017

We have raised objections to the destruction of front gardens for car parking purposes for many years; such objections are now confirmed in the recently adopted Local Plan.

This application is a typical example of the harm arising from such a proposal. The loss of a significant area of front garden, the visual degradation of the Conservation Area by the sight of parked cars, the loss of kerbside public parking space, and the damage done to public and pedestrian safety, are all issues directly applicable to this proposal.
