2017/6396/T	Consuelo Phelan, hon. Tree Officer, BRA.	54 Belsize Park NW3 4EE London	22/11/2017 19:09:36	OBJ	This application seems quite inadequate. No measurements or other details of the tree are given, nor any details of the alleged damage to the wall. If the overhang is severe, it can be pruned. I therefore object to this application.
