Proposal	Erection of a shed in the rear garden.
Objection	Yes
Comment	Yes
Observations	This "shed" is in fact a large construction across almost the entire width of the property at the bottom of the garden. It protrudes above the boundary wall between it and Bellgate Mews . It has timber glazed windows across the wall facing the garden suggesting it could have many uses as an extension to the main building. DPCAAC object to this in principle as we do not support freestanding buildings in gardens that can provide ancillary accommodation to the main house.
