Planning Application No. 2017/6045 P

Dear Sirs,  
I wish to object very strongly to the above planning application by LIFECARE to build on Gonder Gardens Reservoir site.

After many (failed) attempts to build various schemes on the Reservoir site, this latest application (2017/6045 P) is the most extensive, intrusive and inappropriate plan that has been presented.

Apart from contravening policies that are meant to protect this Open Space, a development of 82 luxury flats and 15 nursing home beds, in 6-story blocks, is quite incompatible with this neighbourhood.

I strongly urge the Council to refuse this planning application.

Yours faithfully,

(MARGARET BAILEY)
