Good afternoon Barry.

I hope you are well.

We have heard from our customer at 5 Telegraph Hill regarding the group of Sycamore trees, G1. They have now had a change of mind and wish to reduce all of the trees in the group. This would include the Sycamore with the TPO. Could we possibly change our application from felling to reducing the spread of the canopy by up to 3m.

If there is anything else you need from me please get in touch.

Richard
