Dear Sir/Madam

DECISION

Planning (Listed Building and Conservation Areas) Act 1990

Listed Building Consent Refused

Address:
70 Oakley Square
London
NW1 1NJ

Proposal: Erection of 1st floor side and rear extension to create solarium, small ground floor rear extension and re-opening windows on 2nd and 3rd floors of the side elevation.

Drawing Nos: 70-000, OS16-A101, OS16-A102, OS16-A103, OS16-A201, OS16-A202, OS16-A301, OS16-A302, OS16-A303, Design and Access Statement received 05/10/2017, and Heritage appraisal dated April 2017.

The Council has considered your application and decided to **refuse** listed building consent for the following reasons:

Reasons for Refusal

- 1 The proposed side extension, by reason of its detailed design, materiality, scale and siting would be detrimental to the character, appearance and setting of the host listed building. The proposed extension therefore fails to respect the special historic and architectural interest of the listed building contrary to Policy D2 (Heritage) of the Camden Local Plan 2017.
- 2 The loss of historic fabric proposed through the creation of new openings within the existing side elevation would harm the historic composition of this elevation and

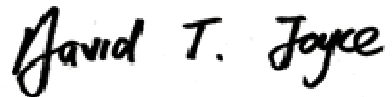

would therefore result in harm to the special architectural and historic interest of the listed building contrary to Policy D2 (Heritage) of the Camden Local Plan 2017.
