Subject: New application at 27-29 Whitfield Street ref: 2017/6080/P

Dear Ms Hazelton

Ref 2017/6080/P

I wish to object to the above proposed development.

This extension will be extremely prominent and intrusive, being 5 meters higher than the current building.

As 27/29 Whitfield Street is a corner building, this increase in height will be very visible and will dominate the domestic scale of Colville Place and particularly No.1.

The proposed changes would therefore certainly damage the setting of the adjacent listed building as well as the surrounding Conservation Area.

Yours sincerely

Lucinda Meade
