

Issued For
PLANNING

General Notes:
Drawings are to be read in conjunction with all relevant drawings & specifications by Structural Engineers and all other Consultants/Specialists.
Ensure packages by other Consultants are checked against these drawings, and report any discrepancies/differences. All works are to be carried out in accordance with all relevant and current Building Regulations, and where required to be inspected and approved by Building Surveyor. Do not scale drawings. If in doubt, ask. All dimensions as noted are in millimetres and where appropriate, shown to Grids. All dimensions to be confirmed on site.
