10. *Before the development commences, an intrusive Pre-Demolition and Refurbishment Asbestos Survey must be carried out in accordance with HSG264 supported by an appropriate mitigation scheme to control risks to future occupiers. The scheme must be written by a suitably qualified person and shall be submitted to the Local Planning Authority and approved prior to commencement of the development. The scheme as submitted shall demonstrably identify potential sources of asbestos contamination and detail removal or mitigation appropriate for the proposed end use. Detailed working methods are not required but the scheme of mitigation shall be independently verified to the satisfaction of the Local Planning Authority prior to occupation*

I trust that the enclosed is in order and I look forward to receiving prompt confirmation that the application has been validated. Please feel free to contact myself or Oliver Prior (0207 409 9947) of these offices in the first instance if you have any queries or would like to discuss.

Yours sincerely,

Laura Fletcher-Gray
