Detailed Asbestos Works

Site Address: The Honourable Society of Gray's Inn, Grays Inn Chambers, 8 South Sq, WC1R 5ET

A&E Asbestos Job Number: N3558

Supervisor to complete below as detailed as possible for asbestos works completed at the above site.

Location of works	Removed (please tick)	Encapsulated (please tick)	Work details
To safely remove and dispose of AIB to corridor cupboard (2m ²) under fully controlled conditions	✓		
Re-installation on completion with a non-asbestos equivalent	✓		

I confirm that works have only been carried out to the above locations and any other asbestos materials identified have been left in-situ. I have checked the work areas have been cleaned thoroughly and inspected them to ensure that there were no visible traces of dust or debris.
