2017/4233/P	Ms Valerie F. Doulton	19 B Swain's Lane N66QX N66QX N66QX	01/12/2017 17:45:55	COMMNT	There are serious implications to all residents in agreeing an additional restaurant in Swain's Lane, and so we object totally to an A 3 licence being granted to Gail's bakery here. A 3 could result in alcohol licences being granted leading to further very unpleasant disruption to the lives of all the residents here. We have been continually upset and disrupted by noise, air, and light pollution into our homes, since Gail;s opened their establishment in Swain's Lane. And what they are proposing now is also contrary to DP 26 and so we ask to join with residents here in opposing this application.

2017/4233/P	Janet Hermann	44 Swain's Lane	04/12/2017 15:54:17	OBJ	As a resident of Swain's Lane I strongly object to this application. I welcomed the arrival of Gail's as a much needed shop selling good bread and related products. While a couple of cafes/restaurants add to the amenities in the area, the increase in the number of these has already changed the road from a relatively peaceful one into a noisy traffic nightmare, particularly at weekends. There are currently 5 places to eat in the immediate area if one includes the Café across the road from Swain's Lane at the foot of Highgate West Hill and Gail's café. This is more than enough for what was once a quiet residential area. I live a few hundred yards away from Gail's and am, thankfully, not personally affected by noise from deliveries or smells from café kitchens, but I am affected by the increase of traffic that cafes have brought to the area. It is not unusual at weekends to see queues of cars building up in both directions as people try and park in Swain's Lane, so they can combine a walk on the Heath with a meal . This is usually accompanied by the noise of honking horns. Please, please, no more cafes to ruin the area. We need ordinary shops where we can buy food to cook, not more cafes.
