

INSERTION OF THREE SKYLIGHTS AT THE REAR OF THE PROPERTY

61 Upper Park Road  
London NW3 2UL

December 2017

The property is a single dwelling house situated at No. 61 Upper Park Road, NW3 2UL. It is within Parkhill and Upper Park Conservation Area, but it is not a listed building.

The proposal consists of the insertion of three conservation roof lights at the rear of the property to provide natural light in the existing loft space.

Rear elevation of the property.

Neighbour No. 57 has already inserted three roof windows at the rear of the property.

Neighbours No. 69 has already inserted roof windows at the rear of the property.
